- There's no experience quite like cutting your own live Christmas Tree out of your neighbors yard.
- Christmas is a baby shower that went totally overboard
- Santa Claus has the right idea. Visit people only once a year.
- That's what Christmas memories are made from, they're not planned, they're not scheduled, nobody puts them in their Blackberry, they just happen.
- It is Christmas in the heart that puts Christmas in the air.
- Christmas magic is silent. You don't hear it — you feel it, you know it, you believe it.
- One of the most glorious messes in the world is the mess created in the living room on Christmas Day. Don't clean it up too quickly.
- The best way to spread Christmas cheer is singing loud for all to hear.
- Love the giver more than the gift.
- Christmas isn't a season. It's a feeling
- Nothing is as mean as giving a child something useful for Christmas.

## Gardening Tips

- Purchase and plant Amaryllis and Paperwhite bulbs for indoor winter blooms.
- Put protective boards over shrubs near buildings to deflect snow sliding from roof.
- Protect Poinsettias from drying out by keeping them in a bright cool room.
- Choose from large selections of excellent Christmas plants and flowers, they make wonderful hostess gifts.

### Christmas Pot Luck

We will once again be hosting a Pot Luck Dinner to celebrate the Christmas season. This year's event will be held on Saturday, December 14<sup>th</sup> with dinner planned to start at 6 p.m. Mark the date on your colander and join your neighbors at the Cavendish Community Centre. Hope to see you there!

### Christmas Cookie Exchange

Christmas is a very busy time of the year and baking cookies is often on the bottom of the priority list. If you would like to participate in a cookie exchange where you would only have to bake one kind of cookies but end up with a beautiful selection of home baked treats please sign up at the Cavendish Library or contact Kathy at [kathy507@yahoo.ca](mailto:kathy507@yahoo.ca). The exchange itself will take place at 7 p.m. on Friday, December 20<sup>th</sup>.

### King Sports Pad

It's that time of year again, though we don't want to think about it yet! It's hard to even imagine as there are still the die-hard pickleball players still making good use of the rink. Unfortunately, winter is coming which means we need to be thinking about the ice on the King Sports Pad at the Cavendish Community Centre.

We are hoping that the weather will co-operate this year and we will be able to make some ice for skating on. To do this we also need volunteers to help with keeping the snow cleared from the rink as well as the initial flooding of the sports pad. Worst case scenario we should be able to play boot hockey if nothing else.

If you have time to spare and would like help with this year's rink please contact Molly Cadigan at 705-657-2743 or leave your name and number at the Cavendish Community Centre.

**MUNICIPALITY OF TRENT LAKES CHRISTMAS HAMPER PLANNING IS UNDER WAY  
NEED A CHRISTMAS HAMPER?**

Municipality of Trent Lakes Christmas Hamper Committee is now planning their 2024 program. All those who are a resident in the Municipality and in need of a Christmas Hamper can call the Municipal office at 1-800-374-4009 or 705-738-3800 and request an application. The application may also be picked up at any of Trent Lakes Transfer Site. The completed application must be returned to the Municipal office by FRIDAY, DECEMBER 13<sup>TH</sup> / 4pm deadline, so that the volunteers who shop for the hampers need this time to get the shopping done. The hampers can be picked up at the Buckhorn Community Centre between NOON and 1 p.m. on SATURDAY DECEMBER 21<sup>th</sup>.

**DONATIONS NEEDED**

Those wishing to donate can do so by delivering or mailing a cheque or taking cash to the Municipality of Trent Lakes Office, 760Peterborough County Road 36, Trent Lakes Ont. K0M 1A0, with clear indication that it is for the Christmas Hamper Fund. An income tax receipt will be issued for donations over \$10. Also look for the decorated collection boxes and jars at local businesses for donations of toys, non-perishable food items, and loose change. Drop-off boxes and /or jars are located at the Municipality of Trent Lakes Office, Cavendish Community Centre, Buckhorn Foodland, Buckhorn Public School, Pirates' Cove, Buckhorn Community Centre, Flynn's Store, Buckhorn General Store, Buckhorn Pharmacy, Buckhorn Home Hardware, Country Market, Buckhorn L.C.O.B. and the Lakehurst Hall. We believe that the need this year will be greater than ever with the world situation and high level of unemployment in our rural areas.

Please do what you can to help make the holiday season a little brighter for many families in OUR area.

# Craft Night

Wednesday, December 11<sup>th</sup>

**In Passing.....**

**Pauline Deborah Carrington  
December 15<sup>th</sup>, 1930 – October 31<sup>st</sup>, 2024**

It's with great sadness that we announce the peaceful passing our Pauline "Pat" (nee Doddridge), of Toronto and Beaver Lake, at Michae I Garron Hospital on October 31<sup>st</sup>, 2024 at the age of 93.

Pat beloved wife of the late Vincent Carrington who passed in 2011 after 55 wonderful years together. She was the loving mother of Jeff Carrington (Trish Cowley), Brandi Carrington, (Michael Bennet) and the late Ian Carrington (Liz Halko). She will be fondly remembered by Coady (Raven), and Spencer Bennet, Quinn and Max (Carlie) Carrington, Britney Cowley and Tisha and Sean Semple family.

Our thoughts and prayers are extended to her family friends during this difficult time.

**In Passing...**

**Jean Edna Selleck  
June 3<sup>rd</sup>, 19344 – November 14<sup>th</sup>, 2024**

It is with heavy hearts that we announce the passing of Jean Edna Selleck on November 14<sup>th</sup>, 2024, in her 90<sup>th</sup> year. Beloved wife of 70 years to the love of her life Gordon (Barney). Loving mother to Gary (predeceased), Lori, and Blaine.

Adored grandma to Kourtney, Gareth, Brant, and Joshua. Cherished "GMA" of Jack, Avery, Hailey, and Lizzie May. She will be greatly missed by many nieces, nephews and friends

Our condolences to her family and friends

## Christmas Trees

When purchasing an artificial tree, look for the label "Fire Resistant." Although this label does not mean the tree won't catch fire, it does indicate the tree will resist burning and should extinguish quickly.

When purchasing a live tree, check for freshness. A fresh tree is green; needles are hard to pull from branches and when bent between your fingers, needles do not break. The trunk butt of a fresh tree is sticky with resin, and when tapped on the ground, the tree should not lose many needles.

When setting up a tree at home, place it away from fireplaces and radiators. Because heated rooms dry live trees out rapidly, be sure to keep the stand filled with water. Place the tree out of the way of foot traffic and do not block doorways.

When you're ready to get rid of your tree, please do not burn it in the fireplace or wood stove. The rapid burning and excessive heat can damage the firebox and chimney creating a serious fire hazard. Instead, find out from your municipality the day when trees will be picked at your curbside. Many municipalities recycle Christmas trees into mulch.

### Lights and Electrical

- Indoors or outside, always use CSA-approved lights. Check each set of lights, new or old, for broken or cracked sockets, frayed or bare wires, or loose connections, and throw out damaged sets.
- Use no more than three standard-size sets of lights per single extension cord.
- Never use electric lights on a metallic tree. The tree can become charged with electricity from faulty lights, and a person touching a branch could be electrocuted.
- Fasten outdoor lights securely to trees, house walls or other firm supports to protect the lights from wind damage. Use only insulated staples, not nails or tacks, to hold strings in place. Or, run strings of lights through hooks (available at hardware stores).
- Turn off all lights when you go to bed or leave the house. The lights could short out and start a fire.
- For added electric-shock protection, plug outdoor electric lights and decorations into circuits protected by ground fault circuit interrupters (GFCIs). Portable outdoor GFCIs can be purchased where electrical supplies are sold. GFCIs can be installed permanently to household circuits by a qualified electrician.

### Decorations

- Use only non-combustible or flame-resistant materials to trim a tree. Choose tinsel or artificial icicles of plastic or non-leaded metals. Leaded materials are hazardous if ingested by children.
- Never use lighted candles on a tree or near other evergreens. Always use non-flammable holders, and place candles where they will not be knocked down.
- In homes with small children, take special care to avoid decorations that are sharp or breakable, keep trimmings with small removable parts out of the reach of children to avoid the child swallowing or inhaling small pieces, and avoid trimmings that resemble candy or food that may tempt a child to eat them.
- Wear gloves to avoid eye and skin irritation while decorating with spun glass "angel hair." Follow container directions carefully to avoid lung irritation while decorating with artificial snow sprays.

## Holiday Entertaining

- Test your smoke alarms and tell guests about your home fire escape plan. Ensure they are aware of all exits in your home.
- Keep children and pets away from lit candles.
- Keep matches and lighters up high in a locked cabinet.
- Stay in the kitchen when cooking.
- Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them. Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.
- Don't drink and drive, or let your guests drink and drive. Make sure you plan ahead and have a designated driver, arrange for a cab or other alternative transportation.

## Fireplaces

- Do not remove fireplace embers or ash, or if you do, place them in a metal container with a lid and cover them with water. Do not place them in a plastic or paper bag or other container that is not fire-resistant. Do not dispose of them indoors or close to your home or another structure.
- Use care with "fire salts," which produce colored flames when thrown on wood fires. They contain heavy metals that can cause intense gastrointestinal irritation and vomiting if eaten. Keep away from children.
- Do not burn wrapping papers in the fireplace. A flash fire may result as wrappings ignite suddenly and burn intensely.
- Never burn gift wrappings, boxes, cartons, or other types of packing in the fireplace. They burn too rapidly and generate far too much heat.
- Don't hang Christmas stockings from the mantel when the fireplace is in use.
- Always use a screen in front of the fireplace to protect against flying sparks.
- Never use gasoline or any other flammable liquids to start a fire.
- Use only seasoned and dried wood.
- Never leave the fire unattended or let it smolder.
- Clean the ashes regularly. Place the ashes in a metal container and store outside away from flammable materials.
- Don't use Christmas trees for firewood.

## Candles

- Extinguish candles when leaving the room or going to sleep. Keep lit candles away from items that can catch fire
- Place candles in sturdy, burn-resistant containers that won't tip over and are big enough to collect dripping wax.
- Don't place lit candles near windows, where blinds or curtains may close or blow over them.
- Don't use candles in high traffic areas where children or pets could knock them over.
- Never let candles burn out completely. Extinguish them when they get to within two inches of the holder or decorative material.
- Never leave children or pets alone in a room with lit candles.
- Do not allow older children to light candles in their bedrooms. A forgotten candle or an accident is all it takes to start a fire.
- During power outages, exercise caution when using candles as a light source. Many destructive fires start when potential fire hazards go unnoticed in the dark.
- Never use a candle for light when fueling equipment such as a camp fuel heater or lantern.

- Keep candle wicks short at all times. Trim the wick to one-quarter inch (6.4 mm).
- Be wary of buying novelty candles. Avoid candles surrounded by flammable paint, paper, dried flowers, or breakable/meltable containers.
- Extinguish taper and pillar candles when they burn to within two inches of the holder, and container candles before the last half-inch of wax begins to melt.
- When buying or using novelty candles, try to determine if they pose a potential fire hazard (if they contain a combustible component for instance). If they do, or if you suspect that they might, inform your local fire department.
- Use extreme caution when carrying a lit candle, holding it well away from your clothes and any combustibles that may be along your path.

## Heating

- Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- Have a three-foot “kid-free zone” around open fires and space heaters.
- Never use your oven to heat your home.
- Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer’s instructions.
- Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- Remember to turn portable heaters off when leaving the room or going to bed.
- Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- Be sure all furnace controls and emergency shutoffs are in proper working condition.
- Leave furnace repairs to qualified specialists. Do not attempt repairs yourself unless you are qualified.
- Inspect the walls and ceiling near the furnace and along the chimney line. If the wall is hot or discoloured, additional pipe insulation or clearance may be required.
- Check the flue pipe and pipe seams. Are they well supported, free of holes and cracks? Soot along or around seams may be an indicator of a leak.
- Is the chimney solid, with cracks or loose bricks? All unused flue openings should be sealed with solid masonry.
- Keep trash and other combustibles away from the heating system.

## In The Kitchen

- Be on alert! If you are sleepy or have consumed alcohol don’t use the stove or stovetop.
- Stay in the kitchen while you are frying, grilling, or broiling food. If you leave the kitchen for even a short period of time, turn off the stove.
- If you are simmering, baking, roasting, or boiling food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you are cooking.
- Keep anything that can catch fire — oven mitts, wooden utensils, food packaging, towels or curtains — away from your stovetop.
- Have a “kid-free zone” of at least 3 feet around the stove and areas where hot food or drink is prepared or carried.

Grease and fat fires are a leading cause of home fires in Canada, so be extra careful when doing this kind of cooking. Here’s what to do if grease in a pot or pan catches fire:

- Smother the flames by covering the pan with a lid. Do not remove the lid until the pan is completely cooled.
- Turn off the heat immediately.
- Use baking soda (flour can be explosive) on shallow grease fires.
- Never turn on the overhead fan, as this could spread the fire.
- Never throw water on a grease fire.

The Cavendish Youth Group would like to give a huge thanks to everyone who helped with the bottle depot these past few weeks. Our thanks to Joanne O'Heron, Michelle Ferguson, Ray Campbell, Wes Lake, Allen Lake, Logan Lake, Sharron Smith, Sue Warren, Tyler Warren, Ken Warren, Cameron Hall, Sheila Asling, Al Asling, Jonathan Warren and Kathy Warren. Outstanding job this month – the mountain is gone from the yard and almost all of the bins have been transported to Wilberforce. Thanks also to Trevor Smith for allowing the Youth Group to use his trailer and Wes Lake and Al Asling for the machinery needed to move the bins and load the bins onto the trailer. We couldn't do it without all of the amazing volunteers.

There will be no youth group over the Christmas holidays – remember that if there is no school there is no Youth Group.

*May the blessings of  
peace, good will,  
and happiness  
be with you at  
Christmas and  
always!*

What is an elf's favorite kind of music?

Wrap music.

. What kind of photos do elves take?

Elfes.

What  
animal always  
carries an  
umbrella?  
A rain-deer!

Snow.  
What falls at the North Pole and never gets hurt?  
How does a sheep say Merry Christmas?  
Fleece Navidad.

## HOW TO:

### Make a snowy photo frame!

1. Find a jar with a tight-fitting lid. Fill it a quarter of the way full with clear corn syrup.
2. Pick a photo that will fit inside the jar. Cover it completely with clear tape. Then drop it into the jar.
3. Fill the remainder of the jar with water. Then add a handful of glitter.
4. Screw the lid on tight.

*Shake and enjoy!*

# Recipe of the Month

## SNOWBALLS

1 cup butter  
1/2 cup icing sugar  
1 tsp vanilla

2 cups flour  
1 cup finely chopped nuts

Cream butter and icing sugar together. Add vanilla. Work in flour and nuts. Shape into balls. Bake on ungreased cookie sheet at 325°F for 18 to 20 minutes. Roll balls in icing sugar while still warm. You can omit this, but the cookies won't be as good and you can't call them snowballs!

# WINTER HOLIDAYS

## FROM TRENT LAKES LIBRARY BOARD & STAFF

## HOUSEHOLD HINTS

- To thin nail polish that has become thick and gooey, add a few drops of polish remover.
- Take the pain out of tweezing your eyebrows. Hold the eyebrow between the thumb and index finger and roll firmly for fifteen seconds. This will numb the area and allow you to tweeze in comfort. Or apply a commercial product used to numb the gums when a baby is teething.
- When your cat refuses liquid medicine -- spill some on his fur. He will instinctively lick it off.
- Having a hard time training your cat? Keep a squirt gun filled with water. A few good shots and he will get the message. A squirt bottle will work as well.
- Use green pipe cleaners to tie the tree light to the branches.
- A few bells hung low on the Christmas tree will announce that little fingers or paws are busy there.
- Wipe vinyl seats and dashboards with a cloth dampened with self-stripping floor-wax cleaner. It removes dirt and also covers scratches and scuffs. Quickly dries to a non-sticky shine. You can also use a solution of three tablespoons of washing soda and one quart of warm water.
- Aluminum foil dipped in cola will help remove rust spots from car bumpers.
- When dirty wipers streak your windshield, give them a good scrubbing with baking soda and water.
- Remove auto grease with baking soda and water.

## We want your natural corks!

**Survivors Abreast Dragon Boat team** is thrilled that **The Village Wine Shoppe in Bridgenorth** has offered the proceeds from their cork collection program to our team as a fundraiser!

In partnership with Jelinek Cork Group, your natural corks will be recycled and made into products such as flooring, wall tiles and bulletin boards.

**In addition to helping the environment, you will be supporting a great cause!**

**Please drop your corks off at these locations:**

**The Village Wine Shoppe - 874  
Ward St. Bridgenorth**  
**The Wine Shoppe - 392 Brock St in  
Peterborough**  
**Little Gull Marina - 144 Mississauga  
Lake Rd, Trent Lakes**

**OR, if you know a Survivors Abreast  
paddler,  
give them your corks!**

Money raised will help  
defer costs for Survivors  
Abreast dragon boat team  
to represent Peterborough  
and surrounding area at  
International Dragon Boat  
Festivals.
